

Meet Your Best Friend at the Detroit Zoo

Every year, The Cat Practice sponsors an event called “Meet Your Best Friend at the Detroit Zoo.”

It is the nation’s largest off-site pet adoption event. Hundred of dogs, cats, puppies, kittens, and even bunnies will be waiting for someone to take them home.

This free event takes place in the small parking lot beneath the Detroit Zoo’s landmark water tower. “Meet Your Best Friend” is a collaborative effort between the Michigan Humane Society and the Detroit Zoo.

Every April and September, an entire weekend is devoted to findings these homeless animals loving homes. Ask us when the next scheduled “Meet Your Best Friend” event will take place.
